Denim and Diamonds has always been a sale that features Angus cattle that excel at phenotype, performance and genetic predictors and lots 1A and 1B certainly live up to those adjectives.

The dam of lots 1A and 1B is one of only two females that combine the $340,000 one-third interest, record-setting EXAR Denver, the second-generation lead bull of a Grand Champion Carload of Angus Bulls at Denver, with Henrietta Pride 643T, the $390,000 valued full sister to the proven growth and CW leader, Upward 307R, that anchors the elite donor

At the time of this writing, LOT 6A IS THE ONLY GENOMICALLY TESTED NON-PARENT FEMALE TO OFFER HER COMBINATION OF CED, BW, WW, YW, MARB, $B, AND $C AMONG A POPULATION OF 124,621!

The sire of this heifer calf is a maternal brother to the dam of Lots 5A and 5B and after selling as feature of the National Western Foundation Female Sale he went on to be the top-selling bull of the Powell Farms Dispersal and is now a featured sire for Alta Genetics.

The dam bred at Cardinal Hill Farms in Kentucky sold half interest for $12,000 as a heifer calf and did a phenomenal job with her first natural calf and her sire, who died young, has a great group of daughters working in the Express and SydGen herds with a daughter producing a $110,000 half interest selection of Riverbend Ranch from the 2019 Big Event at Express.

Ranks in the top 1% for CEM, Marb, $F, $G, $B, and $C; top 2% for YW; top 3% for WW; top 4% for $W; top 5% for CW; top 10% for MW; top 15% for CED; top 20% for BW; top 25% for RE.

LOT 6B

Will be AI'd prior to sale day to G A R Home Town.

At the time of this writing, lot 6B offers the highest $C Index in the 2021 Denim and Diamonds Offering at +353 and IS ONE OF ONLY FOUR GENOMICALLY TESTED NON-PARENT FEMALES TO OFFER HER COMBINATION OF WW, YW, MARB, $M, $B, AND $C AMONG A POPULATION OF 124,621!

Produced by a young dam bred at Cardinal Hill Farms in Kentucky where she sold half interest for $12,000 as a heifer calf and then went on to do a phenomenal job with her first natural calf, the sire of the dam died young, but he has a great group of daughters working in the Express and SydGen herds, with a daughter producing a $110,000 half interest selection of Riverbend Ranch from the 2019 Big Event at Express.

The sire of this young female has been a top-seller at ABS for the past several years and his sons and daughters have topped sales across the nation with an extremely high level of popularity across the south, the genomic-enhanced EPD profile of this heifer is exactly what Mark Welytok has designed his Angus cattle to offer.

Ranks in the top 1% for WW, YW, CW, $F, $B, and $C; top 2% for MW; top 3% for $W; top 10% for Angle, Marb, and $G; top 15% for HP and $M; top 25% for Claw.

Dam records ratios of 1@92 for BW; 1@121 for WW; 1@118 for YW.

Will be AI'd prior to sale day to Poss Maverick.

The third sister from the Welytok and Cardinal Hill foundation donor that sold half interest for $12,000 as a heifer calf and then went on to do a phenomenal job with her first natural calf by the ORIgen featured sire that led the entire Angus breed in progeny registered for the American Angus Association FY2020.

A daughter of the sire of the dam has been a powerful producer at Express where a daughter sold half interest for $110,000 to Riverbend Ranch in the 2019 Big Event at Express.

All proceeds from this lot go to benefit the Angus Foundation

The flush brothers selling as lots 15A and 15B combine the hottest and most proven names in the Angus show realm into one pedigree while displaying the phenotypic quality you would expect from such a genetic base and EPD profiles that are exceptionally balanced for bulls "bred for the backdrop".

The sire of William and Harry, Conley Express 7211, is one of the hottest bulls in the industry with semen in limited supply and high demand so take advantage of the opportunity to own a direct son and have him walking your pastures or on display on "herd bull alley" next year.

The dam of William and Harry, Queen 414 13D, is a result of the highly successful First Class x Queen 414 mating and a direct daughter of the elite Angus donor J&J Queen 414, who has been proclaimed by many as Northern Improvement's greatest daughter. This cow family is proven to generate unparalleled "look," quality, structural soundness and power. Progeny of 414 have dominated the show circuit and include: the 2015 Oklahoma Youth Expo Supreme Champion Female that was also a division winner in Denver; the 2015 American Royal Grand Champion MaineTainer Female, who was also Reserve Supreme Female at the 2015 OYE and Champion Maintainer at the 2015 National Western in Denver; the 2016 Fort Worth and 2015 NAILE and American Royal Grand Champion Percentage Simmental Bull, the Reserve Grand Champion Percentage Bull at the 2012 Simmental Breeder's Sweepstakes who was also named Grand Champion Percentage Bull at the 2012 Tulsa State Fair; the 2010 Reserve National Champion Percentage Simmental Heifer, WLTR Lydia, and the 2010 National Western Stock Show Reserve Grand Champion Percentage Simmental Bull, WLTR Renegade, who was also named Grand Champion Percentage Bull at the 2010 American Royal.

Like the Sandy females that have come before her in the Denim and Diamonds Sale, lot 21 is an incredibly built show and donor prospect with a flawless phenotype, incredible build and a pedigree stacked with proven production and an unbelievable track record in the show ring.

Her sire's sire was a Denver Champion as was his dam, being successfully campaigned by Leslie Rogers. In fact, some have called Proven Queen 419 the ideal Angus donor for today! Her paternal third-dam and third sire won Junior Nationals.

On the bottom side, you get more Angus show genetics from the Sandy line, from a dam who is a featured donor in the Colburn Cattle Co. program, Silveiras S Sis Sandy 2352 who, in turn, is a member of the famous Style x Sandy 804 mating that also produced the dam of Conley Express, Sandy 3040, as well as Sandy 3105, the 2015 National Junior heifer show Reserve Grand Champion Owned Heifer, and Sandy 2355 who is the foundation "Sandy" in the Conley Cattle program.

A maternal sister recently sold in the Gerdes Show Cattle "Buckles and Banners" Sale for $32,000 to Pleasant Hill Farms in KY while a full sister to lot 21 was the $10,000 selection of MG Cattle in that same sale.

Lot 23 is possibly the best female the Jensen and Fair Acres partnership have offered in Denim and Diamonds to date and is one Cody and Lynn have a hard time parting with.

The profile this heifer offers is sure to capture the judge's eye with her combination of femininity and power that compliments her soundness and functional design.

A maternal sister to lot 23, Jensen LRF Shadoe 741 of FAF, was the $16,000 1/2 interest selection of Hunter Angus from the 2017 Sharing in the Progress Sale.

This exceptional June show and donor prospect by Primo is out of a maternal sister to the dam of lot 22 that combines Saugahatchee with Champion Hill Shadoe 5946, the $26,000 selection from the Horn Springs Angus Farm Dispersion.

The dam of lot 23, Jensen Shadoe 1442 of FAF was the $17,000 selection of David Smith from the 2014 Sharing in the Progress Sale.

Ranks in the top 25% for WW.

Dam records ratios of 1@110 for WW.

Seller retains the right to one successful flush at their expense and the buyers convenience.

If you are seeking an old school pedigree in a sleek and modern show heifer's body, check out this daughter of B C Lookout 7024.

Lot 24 offers exceptional length of neck and spine while maintaining adequate rib, volume and muscle on an impeccably sound structural base.

The granddam of lot 24, C C A Ruth 096, was a many time champion for Kolby Shepard of Oklahoma, including being named Supreme Grand Champion Female at the 2012 Oklahoma Youth Expo, one of the world's largest junior shows and later accomplished what many show heifers are not able to by going on to be named the 2012 National Junior Angus Show Champion Cow/Calf Pair in Louisville, KY.

A maternal sister to the dam of lot 24 sired by Denver sold in the 2016 Denim and Diamonds Sale to Reece Idland, Circle, MT for $11,000.

This May daughter of Surveillance is sure to catch the eye of many with her outstanding looks and outcross pedigree to most of today's most widely cultivated show genetics.

LLJ TOUCHDOWN 613 1644, a maternal brother to the dam of lot 25, was named Reserve Grand Champion Bull at the 2019 NILE before being featured as lot 1 in the 2020 Denim and Diamonds sale where ½ interest in him sold for $30,000.

The granddam of lot 25, J&J Queen 613, Queen 613 was the $20,000 top selling lot in the KB Dispersion to Double Bar L, and since that time, she continues to prove her worth producing the top selling female in the Fall 2017 TXLE Sale, LLJ FIRST QUEEN 613 1634, that went on to be named the 2017 State Fair of Texas Open Show Champion Angus Female; Reserve Champion Angus State fair of Texas 2018; and Champion Angus 2019 San Angelo Livestock show for Jaden Johnson and followed up in the spring of 2018 TXLE sale with progeny totally $25,750.

Queen 613 was first selected by KB from the 2010 J&J Dispersion where she and her three progeny sold for an impressive average of $7,475. After joining the KB herd, 613 had quite an impact. In the Fall 2012 sale, the high-selling Angus heifer was daughter of 613. She has been a many time Champion for Cale Hinrichsen in Kansas, while another sister that sold to California has been a many time breed or division champion on the west coast. In the fall 2013 TXLE sale, two daughters of Queen 613 sold for $9,000 and $8,900 to Brandon Hillery and Wyatt Hagle and a daughter of 613 sold to Landry Bozeman in the Spring 2014 TXLE sale.

This is a great opportunity to flush one of the most unique First Class daughters we have discovered. It's not every day you find a big stout massive female that can still get out and move like a cat. Take advantage of this opportunity and make your next great one. It is no secret that great cows are the key to the industry and you will be hard pressed to find a more proven or dominant Angus donor than Lazy H Bar Forever Lady 5001, the dam of the lot 26 donor.

A flush on 517 was the $15,000 selection of Plum Creek from the 2017 Denim and Diamonds Sale.

517 has been a fun one in and out of the showring and gathered attention from cattlemen from other breeds. She was named Reserve Grand Female in the Junior Show at the Illinois State Preview and 5th Overall in the open show and won her division both days. She has had numerous breed championships and Supreme championships during her show career.

The maternal granddam of Forever Lady 517 is the $75,000 twice National Western Reserve Grand Champion, VAR Forever Lady 4304, who was a past ROV Embryo Dam of the Year and generated more than $1 million in progeny sales.

Ranks in the top 10% for MW; top 20% for WW and Claw.

Dear Angus Friends and Fellow Cattlemen,

Welcome to the 19th Annual "Denim and Diamonds" Sale and our first in Oklahoma City in conjunction with the Cattlemen's Congress. We are extremely excited about this offering and the new venue and sale area in which the cattle will be displayed and sold in the Super Barn Arena that will allow for a better viewing experience for the buyers and attendees before and during the sale.

This annual event is the result of the continued collective efforts of forward-thinking Angus seedstock producers. The breeders represented in the Denim and Diamonds Sale have again worked together toward the common goal of assembling an offering of elite Angus genetics that combine performance with excellent phenotype to become competitors at any level in our industry. The genetics and EPDs represented on both sides of these pedigrees are second to none, as is the visual quality of the live offering.

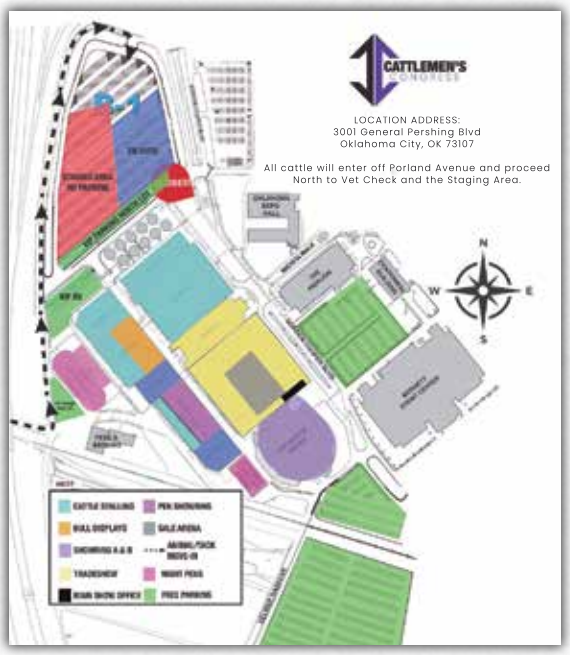
The 2021 sale offering is especially strong, and quality is present from Lot 1 through Lot 40. As the name suggests, "Denim and Diamonds" is a unique blend of two segments of the Angus industry and has always focused on cattle that shine like a "DIAMOND" on the outside while maintaining the strong genetic fabric, or "DENIM" under the hide needed to excel in the Angus breed and meet all facets of the industry. The 2021 Denim and Diamonds Sale combines the influence of the breed's freshest, most valuable, and proven performance families with the deepest and most elite show prospects and herd sires in the country. The embryo matings and heifer pregnancies feature cutting-edge genetics that are progeny of some of the most popular champions, herd sires and donors in the industry. The herd sire candidates, open show and donor prospects, bred heifers and the flush lots are from proven genetics and donors that are second to none. You will find the influence of the breed's most proven and influential sires, both in and out of the show ring, are especially strong in this offering.

The focus of this sale remains on quality, and you will find that, like a diamond, each lot is distinctive in its own way.

Please evaluate your own situation and your breeding goals, and on Thursday, January 7 please join us at 2:30 p.m. following the Junior Angus Show in the Super Barn Arena to view the cattle and enjoy refreshments, and then at 5:00 p.m. in the same arena take advantage of the knowledge and cutting-edge efforts of these breeders and their programs.

Whether you are seeking your next herd sire, donor dam or your next show ring champion, you will find it among this exceptional offering.

If I can be of assistance in any way, please let me know.



Sincerely,
Matt Sims
