SALE

AT THE CATTLEMEN'S CONGRESS

HEIFERS | BULLS | SEMEN LOTS | GENETIC LOTS

SUNDAY, JANUARY 10, 2021 | 1 PM | OKLAHOMA CITY, OK

The Difference SALE

Welcome...

Welcome to the -C- The Difference Sale -

Thank you for taking time to look through the -C- The Difference Sale offering. Many of the top producers of Chianina and Chiangus genetics from all over the United States have brought their best to Oklahoma City!

There is really something for everyone in this sale, from Chianina Bulls and Chiangus Bulls to Chianina heifers, Chiangus heifers and genetic opportunities. The quality is as good as you will find anywhere in the country.

This sale is full of cattle that have either won purple banners at the National Show in Louisville or are full sibs to the champions. You will also find cattle that will work in the commercial aspect of the industry.

Be sure to reach out to any of the consignors regarding their lots or stop by their stalls in OKC to visit with them! If you have any questions, please feel free to give me a call or contact any of the sale staff with questions.

See you in OKC!

Sincerely,
Dustin Hurlbut
ACA Field Representative

If you had the opportunity to see this bull at NAILE, you can see that we have dedicated ourselves to offering the very best that we have to you all. His pedigree excites us greatly. Anytime we can stack cow families in a pedigree, we do it. Study this bull in person and then look at him on paper. It's all there as far as we are concerned.

Here is a great opportunity to add a unique breeding piece to your breeding program. This stud has been admired for his muscle and power and yet stunning good looks. His structure is flawless and super good footed. One of the coolest things about him is that he is 29% Chi, which means his daughters will still make high Chi's. Put him on a set of Angus based cows and prepare to be amazed. Great opportunity!!

These are the kind of cattle we strive to breed, year after year. Functional, good looking, sound structured, stout built...you name it, this bull has it. He captured the attention of many in attendance at NAILE and claimed the Div. 1 Champion Chiangus Bull title. The very first calf born sired by "GOP Fair Play", we believe he possesses every quality people look for when selecting their herd bull. As an added bonus, he also has what it takes to compete within the show ring.

Seller is retaining 1/2 semen interest.

GOP Fair Play 809F - Sire of Lots 3 & 4

Consigned by Evans Cattle Company

We believe in offering up our very best genetics which is exactly what you've found here. This pedigree is stacked with countless National Champions on both sides. His sire, "GOP Fair Play", is a full sib to our 2020 National Champion Chiangus Female "Greta". The "815" cow is also a full sib, by blood, to every "Classen x Y Not" mating from the Winegardner/Klingaman program and a maternal sib to our 2018 Reserve National Champion and Chiangus Show Heifer of The Year "Bertha". Unmatched in calving ease and growth, "Heartbreaker" possesses a tremendous amount of muscle shape, stoutness and length of spine. His added foot size makes him built for long term use. Proven genetics and consistent results. Tune in!

These two Who Da Man brothers are incredible. When we found out about the opportunity of this National sale we knew we had to bring you our very best. Not only are these bulls the right kind for making incredible show heifers, we also feel when taken to the club calf world they can make highly sought after steers as well. It's been close to 20 years since Who Da Man has been around and his offspring are in as high demand as ever. Make sure you check out their Chi %; it's something we are very proud of. Not to mention they are full sibs in blood to Onset and some of the most dominant females in the industry.

This heifer is a full sib to Guyers Grand Champion Female in the Louisville Open Show as well as the Reserve Grand Female at the Junior National Heifer show and a maternal sib to our high selling Chi female this year that sold for \$49,000.

Lady In Black is a full footed female with extra feature from the surface up that has tons of rib shape and dimension all placed on the soundest of foundations. Built much like the Guyer heifer, this one is so massive and three dimensional yet still lady like in her look and maternal in her build, with an absolute flawless structural design.

If you're looking for the next show heifer to not only win shows but make an operation a ton of money back, this is the sure fire ticket for fast results on all fronts.

We wanted to bring something special to Oklahoma City and just like her name, she's as sweet as honeysuckle. This March heifer is a 3/4 sister to the 2020 Reserve National Champion Chiangus Female and is as smooth and striking as you can make one. She's sired by our popular PVF Blacklist and her dam is a HIGG Remedy daughter that was the Reserve Champion Bred and Owned Chiangus Female at the 2015 NJHS and traces back to the SLC Lace 273U cow who has been a top producer for us and is still in production at 12 years of age. We're big believers in cow families and this one comes from one of our best. We

can't wait to see this one at the NJHS in Chickasha this summer!

No question, if she was a Chiangus we'd be keeping her. Combining Who Da Man, Traveler 6807, Style and the famous Nevada Nights, if her pedigree doesn't capture you, her design and structure will. Couple that with her rib shape and dimension, this July born female demands a look. Her dam has quickly made her way into our donor pen and like many daughters and grand daughters of "Nevada," her versatility is unique. Sired by our herd bull, he exceeded our expectations the day this girl hit the ground. We're offering up genetics that will be the foundation to your herd for generations. Buy with confidence!

Maternal sister to 2020 Natl. Jr. Heifer Show 3rd Overall Chiangus Female and 2020 Ft. Worth Stock Show Spring Heifer Calf Champion. Her dam, HIGG Zita 248Z, stems from a long line of outstanding females at Higgins Farms. Furthermore, 248Z is sired by Remedy. 248Z is the best uddered female on our entire ranch with a model udder for the beef industry. Ms. Skyfall is sired by T/R Skyfall E62, the high selling bull in the Trent Ray dispersal sale. He is sired by BC II Skyfall and his dam is Dameron Northern Miss 3122, a full sister to Dameron First Class. Solid EPD values, solid individual performance, top tier cow families and a phenotypically outstanding female with a great attitude.

Heifers

Lot **14 JJLC Miss Power Grid 250H**

Heifer / 12.89% / 5-29-2020 / 250H / BW: 64 lb / ACA# 405353

A really nice black polled Chianina Heifer out of a Classic Doc Holiday Heifer and the calving ease Chiangus sire Power Grid. This yearling heifer is deep bodied with TONS of hair. She will make a great show heifer.

Lot **15 WCC Cowgirl 409H**

Heifer / 13.88 % / 5-2-2020 / 409H / BW: 75 lb / ACA# pending

Sire: WRL Tracken Norman
WCC Negotiator 418E
WCC Miss Rattle 467A

Dam: WCC Liquid Courage 455A
WCC Cowgirl 455C
WCC Cowgirl 449Y

BW:	2.2
WW:	59
YW:	88
Milk:	14

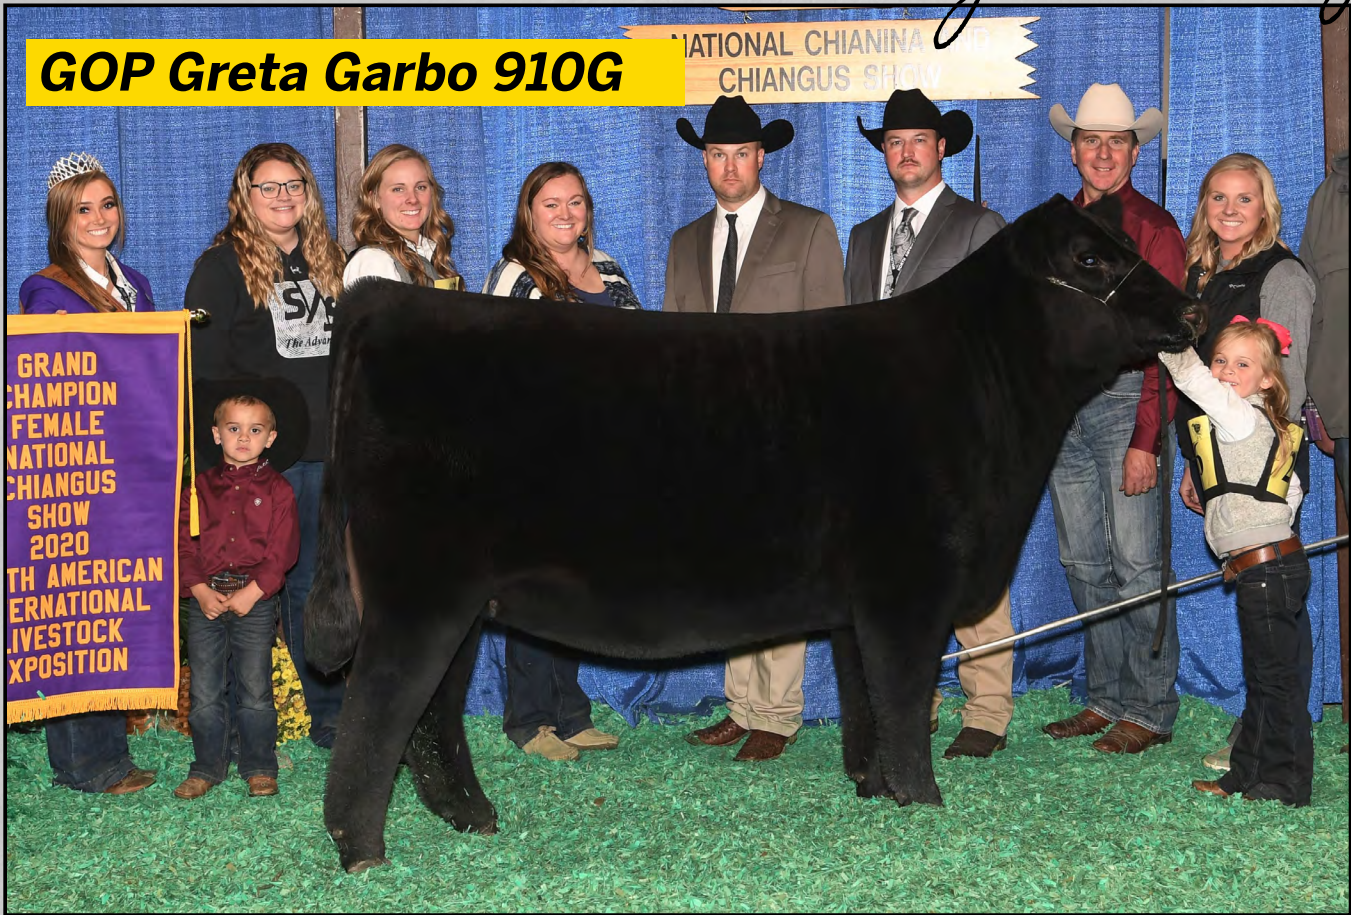

Consigned by Wilson Cattle Co.

This heifer is sired by the 2018 National Champion Chiangus Bull, WCC Negotiator, and her dam was the 2017 Reserve Grand Champion Chi Female at the National Western Stock Show. Her maternal grandmother is sired by WCC Easyrider, the 2008 Reserve National Champion Chi Bull and her maternal great grandmother was the 2009 National Champion Charolais Female as well. So this heifer is not only loaded with champion bloodlines but has the physical attributes herself to be a champion and great cow.

She is a heifer with a lot of growth and performance combined with width and loads of dimension and muscle expression. She is extremely nicely balanced in terms of her straightness of lines and eye appeal. Cowgirl is extremely sound and athletic in the way she is built in her feet and leg structure. She is the kind to make a run for the winners circle, but more importantly the kind that you can build a foundation around in terms of what she could produce. WCC is going to be showing this heifer on the side of her dam as a cow calf pair in the Open Chi Show so they are maintaining possession through that. WCC is also retaining one flush on this female at buyers convenience and sellers expense.

Consigned by Grand 'Ole Place Farms & Kennedy Ann Evans

Here's an opportunity to purchase a set of embryos out of the reigning National Champion Chiangus Female, sired by the reigning National Champion Chiangus Bull!

"Greta" has had a stellar career; Reserve Grand Champion Bred & Owned Chiangus Heifer at the 2019 NAILE Junior Show, Supreme Champion Heifer at the 2020 Kentucky Beef Expo, Grand Champion Bred & Owned Chiangus Heifer at the 2020 National Junior Heifer Show, Reserve Grand Champion at the 2020 Chiangus Classic, 4th Overall 2020 National Junior Chiangus Heifer Show, Grand Champion Bred & Owned Chiangus Heifer - 2020 NAILE Junior Show and Grand Champion in the National Show at the 2020 NAILE.

Greta is sired by Colburn Primo 5153 and out of TR Your Magic Lace PCA. The "Lace" cow's pedigree is Chiangus royalty, combining TR Tail Blazer, TR Real Big Time, PCC Kendall Marie, Impulse, Talmo's "Shirley" cow, PCC Flash Magic, CJB Flash, Sundance, Eagle Scout, and the HXC Lace matriarch.

"Black Out" provides a complete out-cross to this star-studded pedigree and should add even more size, length of front, power, softness, foot size and bone to "Greta's" completeness and body mass.

Embryo Packages

SC Skymere 6D ET

Donor / 20.80% / 5-12-2016 / 6D / BW: 69 lb / ACA# 385744

Consigned by Prescott Cattle Co.

We can say so much about these two genetic lots but first and foremost, be confident in going after either one of them. This Donor is young and is flat out getting after it! She has had 5 of her offspring hit the green shavings at NAILE the last two years and out of those 5 every one of them has won their division or been reserve division. One of her sons, PRES Black Frost 906G ET, was the Grand Champion Bull at NAILE in 2020.

Her offspring perform but they also sell well with her first set of embryo calves selling for an avg. of \$17,500 per calf. We have loved her offspring out of Blacklist and Bismarck! We are super excited for our new matings that will be hitting the ground this spring out of Follow Me and 24 Karat.

We have decided to offer a few packages of sexed heifer embryos on this impressive young donor. If I were you I would jump at the opportunity to get these things bought up because to be honest, I seriously do not know if we will offer a set of embryos like this on the open market again. Buy with confidence and get a genetic opportunity that could make an impact in your program like their mother has impacted ours. We hope these lots can make a great start to your 2021!

Note: Offspring will be 10.4% Chi and bred to a Chiangus bull will result in Chiangus offspring!

Lot 18 Who Dat Girl x 24 Karat

Selling 3 Grade 1 Sexed Heifer IVF Embryos sired by SCC SCH 24 Karat

Who Dat Girl 118C was a \$38,000 high seller that had a dominant show career capping it off as Reserve Grand Female in Louisville a few years ago. Most impressively is how dominant she has went on to be in production. She has produced a trio of daughters that have averaged over \$27,000 a female and so far total in production has tallied \$165,000 in total sales. She delivered probably her best one yet this year, a Style female that was a high seller in Will Coor's sale that will be campaigned by the Arthur family and we look forward to the run she will have.

This mating to 24 Karat will absolutely hit a home run and I love this match up of these two elite animals. His ability to match up on these Chianina donors has already proven major league results with the first calf shown being selected Reserve Grand Female in Louisville. This package is a no-brainer to produce generating stock that can hang some purple.

Lot A - 5 units of conventional semen
Lot B - 5 units of conventional semen
Lot C - 5 units of conventional semen
Lot D - 5 units of conventional semen

Semen available from Prescott Cattle Co or Appalachian Angus. Semen available day of the sale.

We are super excited about what this young sire brings to the breed! His first offspring will be hitting the ground anytime and we could not be anymore anxious to see what they will turn out like.

Black Frost is a total out-cross to any of the Who Da Man daughters or granddaughters which seem to be so popular in our breed today. This versatile young sire can be used in so many different ways! If he is bred to a Chiangus, half-blood Limmy or a half-blood Gelbvieh the result of such matings would include Chiangus, Lim-Flex and Balancer cattle. Black Frost is 10.4% Chi, over 82% Angus and less than 8% percent other.

If this young sire breeds true he will add skeletal width, improve structural integrity, overall look and make them stouter featured. He is a THC, PHAF and a DSC. He should be used on mature cows not first calf heifers. We look forward to seeing his progeny in multiple breeds and we are excited to see this young sire make an impact in your program as well as ours.
