- Consigned by: Schiefelbein Farms
- A special THANK YOU to the Schiefelbein family and Schiefelbein Farms for their generous donation of this pregnancy to the Angus Foundation! 100% of the proceeds will be generously donated to the Angus Foundation to benefit the future of Angus!

- A tremendous opportunity is from the heart of the Schiefelbein program that will result in a full sibling to the lead-off bull of the 2022 Schiefelbein Farms Bull Sale - SCHIEFELBEIN GOAT 271.
- Schiefelbein Showman is one of the breeds true power sires and sold through the 2019 Schiefelbein Farms Bull Sale, to join the prominent Hamilton Farms and Six Mile Ranch programs in Canada. His first progeny in the United States and Canada were some of the most popular calves in 2020 and the best is yet to come - The Showman sons will be the lead-off sire group in 2022 for Schiefelbein Farms and they are impressive, offering as much true red meat and muscle as any sire group in the history of the program!
- The tremendous dam of this pregnancy excelled among her contemporaries at Schiefelbein Farms posting a low birth ratio of 97 combined with a weaning ratio of 118 and a yearling ratio of 108. Her flush of ET brothers by SHOWMAN will no doubt dominate the 2022 lead-off pen on sale day and her influence will be a part of the program for years.
- A blending of proven power and performance with the elegance and maternal strength of the Frosty Elba cow family.
- This pregnancy is in a registered recipient dam.

**SCHIEFELBEIN YELLOWSTONE 541** - This son of Schiefelbein Showman 338 sells as a feature of the 2022 Schiefelbein Farms sale offering.

**FROSTY ELBA LIZZY 5480** - This lead-off female in the Schiefelbein Spring Sale is a daughter of Schiefelbein Showman 338.

**SCHIEFELBEIN SHOWMAN 338** - The proven power sire of the pregnancy selling for the Angus Foundation.

**ANGUS AT THE CONGRESS**

# ANGUS *at the* CONGRESS

## WHERE NEW TRADITIONS BEGIN!

Welcome to the 2022 ANGUS at the CONGRESS Sale! It is a pleasure to offer such an outstanding set of genetics from many of the breeds leading programs – We are confident that this set of genetics is as power-packed as you will find. A great set of Angus females will be on hand at the sale along with an elite set of females selling on video and a set of frozen genetics that could move any program forward. There is something for everyone in this outstanding offering - The opportunities are endless!

The breeders participating in the 2022 Angus at the Congress Sale have been great to work with. Regardless of their size and position in the breed, they have gone deep into their respective programs to offer the best. It is humbling to have breeders from coast-to-coast participating with cattle and genetic packages that are among the most elite in the breed, backed by pedigrees we can all appreciate and EPD profiles that are curve bending for multiple traits. As data & EPD's continue to be a key component in our industry, we are pleased to have included in this sale, EPD packages that soar to the top of the breed for many traits, combined with every time-tested cow family that has had an impact in our breed.

Thank you to everyone involved with the Cattlemen's Congress in OKC – Their continued dedication and commitment to pull this event together and create an opportunity that future generations can utilize as a marketing tool is to be applauded. Today's technology continues to change the way we all conduct business, it is a great opportunity to have the Cattlemen's Congress to gather with friends and colleagues to exhibit cattle and market genetics – A combination our industry needs!

Thank you also to our American Angus Association, the staff and board members, for recognizing the need and making their commitment to the Cattlemen's Congress. As breeders we appreciate these venues as marketing opportunities as well as educational outlets to connect with fellow breeders and staff.

Optimism drives our enthusiasm! As we begin the 2022 sale season there is as much optimism as we have seen in recent times for those of us fortunate enough to be in the cattle business. The BEEF industry is a vital and valuable part in feeding the world! Our abilities to provide a safe and wholesome product to our consumers is becoming more and more valuable each day! The capabilities that these high caliber Angus genetics offered in this sale will help ensure your spot in the lead.

We look forward to seeing you in OKC for the 2022 Cattlemen's Congress and hope to see you the evening of January 6th for the Angus at the Congress Sale. If you have any questions about the sale offering, please feel free to reach out to the breeders participating or give me a call at (918) 510-3464.

Sincerely,  
Rance Long

# The Dam of Three Rivers

**EA EMBLYNETTE 6279** - The powerful and proven dam of Ellingson Three Rivers 8062.

- Consigned by: Ellingson Angus
- EA Emblynette 6279 defines the definition of power and productivity with superior maternal excellence when it comes to her phenotype and impeccable well-balanced EPD profile.
- She excelled among 150 contemporaries in the Ellingson program to post a low birth ratio of 96 blended with a superior weaning ratio of 108 and went on to excel with an ultrasound ratio for %IMF-120 and a UREA-113. She has transmitted her high-performance genetics to her breed leading high growth son Ellingson Three Rivers 8062 who now holds one of the highest rankings in the breed for weaning and yearling growth and also mirrors his mothers superior foot EPD's ranking in the elite 1% of the entire breed.
- EA Emblynette 6279 will have an impact in the Ellingson program for years to come both through her direct progeny and through the influence of Three Rivers - she currently has a progeny record with 2 calves weaned with an average nursing ratio of 125 combined with YR 1@132, %IMF 1@115, and UREA 1@110.
- Maternal superiority stacked in her pedigree - Her Pathfinder dam records WR 4@107, YR 3@107, %IMF 5@111, and UREA 5@110 and has three daughters working in the Ellingson program who have combined for WR 10@104. In addition, she is sired by the superior female maker, Ellingson Chaps 4095 who is a feature of the ABS Global Sire and produced from yet another Ellingson Pathfinder dam, EA Blackcap 0360 who has a progeny record of WR 9@105, YR 6@107 and UREA 14@104.
- Truly one of the most intriguing females ever produced in the Ellingson Angus program with the ability to transmit a multitude of breed impacting EPDs to her progeny - An opportunity to invest in a dam of one of the breeds most popular breed impacting growth sires!
- Due to calve 8/23/22 to ELLINGSON HOMESTEAD 6030. Will be a full sibling to ELLINGSON THREE RIVERS 8062!

## Three Rivers

- Three Rivers sold as the lead-off bull of the 2019 Ellingson Angus Real World Genetics Bull sale.
- Few bulls in the breed today offer his combination of WW and YW combined with impeccable Foot EPD's blended with superior Carcass Weight and breed leading \$C Value.
- Through the 2021 Ellingson Angus sale 56 sons from his first calf crop averaged well over \$15,000 and included the \$65,000 Ellingson Turn Key 0170 who is now a member of the Square B Ranch, Mohnen Angus, Spineli Ranches, and DBL programs. Also, the \$42,500 selection of Alta Genetics, Ellingson Deep River 0262, the \$40,000 selection of Peak Dot Ranch, Ellingson Big River 0052, the \$32,500 selection of Buford Ranches Ellingson Three Rivers 0019, the \$32,500 Ellingson Three Forks 0252 selected by JPM Farms, the \$23,000 Ellingson Three Rivers 0376 selected by Elk Meadow Ranch, and the Vermillion Ranch herd sire, Ellingson Three Rivers 0065.
- His powerful dam sells as Lot 1!

- Consigned by: Hoffman Ranch
- Owned with 3210 Angus - John Patterson
- An exciting opportunity to invest in a package of embryos sired the high marbling Select Sires Al sire, Deer Valley Optimum who is one of the most popular sons of Growth Fund in the breed today and produced from the \$155,000 Stellpflug Cattle Co. donor, HA Rito Lady 3839.

- HA Rito Lady 3839 is without question one of the breeds proven impact donors who has generated nearly \$750,000 in progeny sales for the Hoffman program including the popular ST Genetic Sires Hoffman Thedford and Hoffman High Road plus she is also the dam of HA Value Added 7578 who is a featured member of the Hoffman herd sire battery whose daughters are some the top females in that program today. In addition, HA Rito Lady 3839 has established an impeccable progeny record with BR 5@96, WR 5@109, YR 5@107, %IMF 9@102, and UREA 9@103 and is backed by a dam recording WR 8@104, YR 8@101, and UREA 5@107 plus she individually excelled among all her contemporaries in the proven Hinman program where she posted a WR-111, YR-105 along with %IMF-104 and UREA-101.
- This pedigree stacks the high maternal and proven performance traits of the influential HA Rito 3839 with the \$300,000 donor who has proven herself to transmit elite marbling to all her progeny, GAR Progress 830 - a blending of the breeds very best with the high probability of progeny resulting in double-digit CED, excellent growth values, superior carcass traits, and an excellent combination of \$M and \$C Values.

**HOFFMAN THEDFORD** - The \$200,000 maternal brother to Lot 4.

**HOFFMAN HIGH ROAD** - The \$130,000 maternal brother to Lot 4.

# Maternal Siblings to Tahoe

**TEHAMA MARY BLACKBIRD Y684** - The dam of the very popular Select Sires AI sire Tehama Tahoe B767 and also the dam of Lot 5.

- Consigned by: Myers Angus Farm
- An opportunity to invest in a package of embryos that will result in maternal siblings to one of the breeds great AI sires, Tehama Tahoe B767.
- Tehama Mary Blackbird Y684 established an excellent progeny record in the high maternal program at Tehama Angus Ranch where she recorded BR 7@99, WR 6@101 and YR 3@102 and has 15 daughters in production combining for WR 26@101 plus her 32 progeny with ultrasound data have posted an average %IMF ratio of 104. In addition, the next dam in this pedigree is one of the most influential females in the history of the Tehama program, Tehama Mary Blackbird T073 who has a record of WR 8@105 and YR 7@103 and has been very influential in the Tehama program with her sons being some of the most popular bulls in past sales.
- This blending of the very popular ST Genetic Sire, Myers Fair-N-Square M39 with the dam of Tehama Tahoe B767 stacks the genetics to excel for breed impacting maternal greatness-Expect the resulting daughters from this mating to be huge bodied, easy fleshing, and super sound.

- Consigned by: TD Angus
- One of the most exciting opportunities in the history of the T/D program will be the opportunity to select from all of the spring born heifer calves sired by T/D Doc Ryan 049.
- Doc Ryan sold as the \$525,000 record selling bull for the TD program when Herbst Angus selected him as the high selling bull of the Spring 2021 TD Angus Spring Bull Sale.
- Doc Ryan broke every record possible posting an impressive weaning weight of 920 lbs. and a yearling weight of 1,560 lbs. and then excelled in his ultrasound carcass ratios with %IMF-144 and UREA-122.
- Doc Ryan is backed by an exceptional young female in the TD program and descends from the incredible Ruby of Tiffany family who has been a mainstay of the TD Angus at Rishel Ranch program for decades.
- An opportunity to have full access to the entire calf crop sired by one of the most popular bulls to sell in the entire breed in 2021 - There will over 50 Heifer Calves to Select From!

# Pick

- Consigned by: Brinkley Angus Ranch/Lazy H Ranch
- Woodhill Relevance was the \$150,000 top-selling bull of his calf crop that unfortunately died young, but his rare and valuable progeny include two popular heifer calves produced in the Frank-Hazelrigg program in Missouri with sons sold for \$55,000 and \$30,000 as two of the top three bulls at Woodhill in the spring of 2021.

The donor dam has been an anchor of the Brinkley and Lazy H Ranch programs for several years, producing many of the highly sought-after females in several National Western Foundation Female Sales headlined by the 150,000 top-selling female in 2019 selected by Wall Street Cattle Co. of Lebanon, Missouri with another originally selected there selling as a \$16,000 featured donor in the 2021 SydGen sale after a solid production career in their progressive program.

With 22 sons sold in Brinkley Angus Ranch sales that have sold for an average of \$9,784 with her highest at \$16,500, the 1782 donor has been a consistent source of added value and added performance in the Brinkley and Lazy H programs carrying on the tradition of the famous Rita 6018 from whom she descends.

# Miss Anthem Heifer

**K C F MISS ANTHEM D245** - This incredible Knoll Crest donor is the dam of Lot 9.

- Consigned by: Knoll Crest Farm
- KCF Miss Anthem D245 has been a standout at Knoll Crest since she was born and has matured into what most cattlemen would refer to as a model Angus female-she is powerful in her kind yet feminine in her design, is ideal footed with a perfect udder and transmits the same qualities with her superior performance to all of her progeny.
- Her fertility ranks among the very best as she has conceived first service AI each time and has earned a progeny record of BR 3@99 with WR 3@105 and YR 3@111 combined with UREA 2@106 and individually excelled among all of her contemporaries at KCF with WR-120 and YR-118 and UREA-118.
- Her dam has also been a standout producer in the KCF program and is a direct daughter of the high maternal and proven "cow-maker" sire KCF Bennett Homestead and she records BR 8@99, WR 6@107, and YR 5@109 and has three daughters in production with WR 5@106 and also excels with UREA 4@112. In addition, Z98 is also the dam of the ABS Global sire KCF Bennett Assertive and her next dam is the proven Pathfinder dam X24 who records WR 8@107, YR 7@107, %IMF 11@104, and UREA 11@106 and she is the dam of the Semex sire, KCF Bennett Summary.
- Rare genetics blended with one of the time-tested proven cow families in the Knoll Crest program.

- SELLING ONE-HALF INTEREST WITH THE OPTION TO DOUBLE THE BID PRICE TO ACQUIRE FULL INTEREST.

- One of the most exciting young females ever offered from the Deer Valley program is this excellent daughter of the proven curve bender and DVF herd sire Yon Chattooga E46 backed by the time-tested Rita Cow family.
- Her EPD profile places her among the breeds most elite in terms of her ranking for Growth Values, Heifer Pregnancy, Carcass Traits, and Dollar Indexes.
- Her dam raised this female as a true two-year old and is sired by the proven DVF and Select Sires AI sire TEX Playbook 5437 backed by a cow family that has been influential for many years in the DVF program as she traces to the world record selling GAR EXT 614.
- It is rare to find a female with these kinds of credentials in her EPD profile from a time-tested cow family. She has several genetic attributes that will add genetic merit to any program with all the right figures to move a program forward.

- Consigned by: Williams Angus
- One of the most impressive genetic packages ever produced in the Williams program will be this opportunity to select a heifer pregnancy produced

**WILLIAMS HT ERICA 700 - 139** - The \$130,000 maternal sister to Lot 21.

## POSS DEADWOOD - The record selling sire of Lot 21.

from the breed leading Promogen female, Powell Erica 7312, sired by the \$900,000 valued Poss Deadwood.

- Powel Erica 7312 ranks among proven dams with one of the breeds highest \$W and \$C combinations in the entire breed as well as excelling for \$M and both weaning and yearling growth. In fact, she is the only proven dam in the breed with her combination of WW, YW, MB, RE, \$M, \$W, \$B, and \$C. She produced the \$130,000 selection of Mark Butz through the fall Soaring Eagle Invitational Sale and is also the dam of the Soaring Eagle herd sires who excel for \$C value and include the \$100,000 valued one-half-interest brothers Williams Jonesboro and Williams Hollywood as well as the \$120,000 valued Williams Homogen
- Through the 2021 Foundation Female Sale held at the Cattleman's Congress two direct daughters of Powell Erica 7312 sold as highlights of the events to FB Genetics
- A great opportunity to select foundation genetics from a program committed to genetic excellence.

## WILLIAMS PROMOGEN - The \$120,000 maternal brother to Lot 21.

\$C +392

\$C +400

## WILLIAMS HOLLYWOOD - A \$100,000 one-half-interest maternal brother to Lot 21.

## WILLIAMS JONESBORO - This \$100,000 one-half-interest, big \$C Sire, is a maternal brother to Lot 21.

# CATTLEMEN'S CONGRESS

39

In an effort to assist our fellow Angus breeders in Kansas who were impacted by the devastating wild fires we will be selling a FROZEN GENETIC PACKAGE with the proceeds going to the Kansas Angus Association to distribute.

A semen tank along with several units of semen and embryos will be auctioned off at the conclusion of the Angus at the Congress Sale.

If you would like to donate any genetics to have included in the tank, please contact us prior to the day of the sale. For those driving into Oklahoma City for the Congress we would suggest you bring any semen or embryos along with you to avoid the need for shipping.

This tank can be picked up while in Oklahoma City, or we will assist you with delivery options.

- Stone Creek Blackbird 1029 will surely catch your eye. She comes at you with striking eye appeal. She is square hipped, big footed and sound on her feet with an attractive set to her back legs. She has plenty of muscle and body shape. Not only will she be competitive in the show ring but she will be an influential breeding piece for your program as well.
- Stone Creek Blackbird is sired by one of the leading premier show sires in the angus breed, Conley Express 7211. Not only is he producing plenty of show winning standouts, winning goes deep in his pedigree. His dam is the legendary DPL Sandy 3040 who has produced many show champions.

## HOFFMAN H/G BLACKBIRD 620 -

This past NJAS Grand Champion is a maternal sister to PVF Blackbird 1167.

## PVF BLACKBIRD 3127

- The valuable full sister to PVF Blackbird 1167.

**PVF BLACKBIRD 1167** - The superb maternal grandam of Lot 41.

# Pleasant Pride and Queenie Genetics

## GLC AA 2XL BRONC 818 105 - She sells as Lot 42.

- Consigned by: Long Angus Ranch
- Here is an opportunity to invest in a set of genetics that will be full siblings to the popular 2021 NJAS Grand Champion PGS Female, Long Lady 971.
- The dam of these embryos is by the Genex Sire, PVF Insight 0129 and produced from one of the breeds all-time great daughters of Bextor, Werner Lady 919.
- Werner Lady 919 served as a long time donor in the Deer valley program and earned Pathfinder status with a record of BR 5@98 and WR 5@104.
- Endless possibilities in these full siblings to Long Lady 971.

**LONG LADY 971** - The outstanding dam of Lot 52A and a full sister to Lot 52B.

**E & B WILDCAT 9402** - The \$50,000 Genex Sire of Lot 52A.

**LONG LADY 971** - The 2021 NJAS Grand Champion PGS Heifer.

LIVESTOCK LIABILITY INSURANCE

James F Bessler  
(815) 762-2641  
E-mail: jamesfbessler@yahoo.com

## SALE LOCATION

Held at the Oklahoma City State Fair Grounds in Oklahoma City, Oklahoma

## HEALTH

All the cattle selling will be accompanied by proper health certificates for shipment.

## LIABILITY

Everyone attending the sale does so at their own risk. The Sale Management staff, Auctioneers or Sale Staff assume no liability to loss of property or to accidents that might occur.

## TRUCKING

We will be glad to assist you in coordinating trucking for the cattle that are on site as well as those that will be selling on video.

## TERMS AND CONDITIONS

All of the cattle sell under the suggested terms of the American Angus Association. Any announcements that take place during the sale take precedence over printed material.

Once the sale is complete it is the responsibility of the seller to make contact with the buyer to confirm the buyer's shipping arrangements. On all embryo purchases - They sell with a 50% guarantee on even numbered embryos or one less than half if an odd number is offered - any other guarantee will be listed in the catalog or announced. All of the information pertaining to the embryos is listed and any changes will be available on an update sheet or announced - IT IS THE RESPONSIBILITY OF THE SELLER TO DISCLOSE ALL INFORMATION PERTAINING TO THE EMBRYOS PRIOR TO SELLING.

Any claims related to frozen genetics need to be communicated direct to the seller within 180 days of the sale date.
