LIMOUSIN PEN BULL SHOW

SUPERINTENDENT: Mallory Blunier

JUDGE: Mike Horrell, OK

SHOW: Tuesday, January 3, 1:00 p.m.

Bulls competing in the Limousin pen show must be registered and seventy-five percent (75%) Limousin or higher as computed by NALF. With the addition of a specific Lim-Flex pen show (see rules below), only one bull per Limousin pen may be 75% Lim-Flex (purple papered). Bulls that are 75% Limousin but do not meet the Lim-Flex criteria are only eligible for the Limousin pen and carload shows. This year NALF will allow the inclusion of one high percentage (NXM) in the Lim-Flex pen bull show. (Two out of the three bulls in the pen would be purple papered Lim-Flex). Lim-Flex 75% bulls must be designated at time of entry as to whether they're being entered in the Lim-Flex pen show or the Limousin pen show.

Bulls shown in the Limousin pen show cannot show in the Lim-Flex pen show, but are eligible to enter bulls from the pen to show in the open show. If an alternate for the pen (or Carload) show changes what class the entry will show in, NALF staff must be notified one hour before the show beginning. Alternantes cannot move a Limousin Pen to the Lim-Flex show or a Lim-Flex pen to the Limousin Show. Bulls out of leased cows are not permitted in the Limousin pen show.

Each exhibitor in this show will pay a fee of one hundred dollars (\$100) per head/per pen entered. Entries are to be entered online at www.cattlemenscongress.com. All fees must be paid in U.S. funds.

Classes will be determined by the oldest bull in the pen and according to the following ranges in birth dates:

This year NALF will allow the inclusion of one high percentage (NXM) in the Lim-Flex pen bull show. (Two out of the three bulls in the pen would be purple papered Lim-Flex). Lim-Flex 75% bulls must be designated at time of entry as to whether they are being entered in the Lim-Flex pen show or the Limousin pen show.

In order to meet Lim-Flex registration criteria, animals must be 25 to 75 percent Limousin and 25 to 75 percent Angus or Red Angus, with a maximum allowance of another breed or unknown breed composition of 12.5 percent (1/8th). The sires of registered Lim-Flex animals must be registered with NALF or the sire's respective breed association and have documented pedigree information for both parents. The dams of registered Lim-Flex animals must be documented as from registered sires included in either the NALF herd book or that of another breed association and have actual percent blood information recorded.

Bulls shown in the Lim-Flex pen show cannot show in the Limousin pen shows but are eligible to show in the open Lim-Flex or Limousin open shows. If an alternate for the pen show changes what class the entry will show in, NALF staff must be notified one hour before the show begins. Alternates cannot move a Limousin Pen to the Lim-Flex show or a Lim-Flex to the Limousin show. Lim-Flex animals must be out of cows that are in the exhibitor's membership or exhibitor's family membership(s). Animals out of leased cows are not permitted in the Lim-Flex pen show.
