1. Animals competing in the Black Hereford Show must be registered in the American Black Hereford Association herd book and recorded in the name of the exhibitor 30 days prior to the Cattlemen's Congress registration deadline.
2. Cattle must be entered under the recorded ownership 30 days prior to show. Jointly owned animals must be entered under the multi-ownership (all co-owners) in the individual classes.
3. All animals must be properly tattooed and will be inspected at the show. Tattoos must be legible and must match registration papers. Any animal upon check-in, which does not have a legible permanent identification mark (ear tattoo) corresponding to the permanent identification on the registration certificate is ineligible to show. Once disqualified due to an incorrect or illegible permanent identification mark, animals cannot be re-tattooed and rechecked at the show.
4. Altering the conformation or natural appearance of the animal is prohibited. This includes covering of white skin and the use of artificial tailheads, switches, or any use of false hair. Other prohibited products include illegal or unlicensed pharmaceuticals, or artificial filling. Any animal found in violation will be barred from showing.
5. Any winning animals in any and all divisions may be subject to DNA Parentage Verification (sire and dam only). If discrepancies in parentage are found the animal may be subject to forfeit its winning position and prize money premiums.
6. All cattle must meet the health requirements set out by the Cattlemen's Congress Show Management. Any deviation will be just cause for immediate disqualification from the show.
7. All bulls above one year of age must show with a nose lead. The right to disqualify from the show any animal deemed unmanageable is reserved by the show management.

8. Any person found guilty of misrepresentation by the show and sale committee including the age of the animal, or not abiding by the show rules, will be disqualified and denied the privilege of show. Case may be referred to the ABHA for further action according to association procedure.
9. The registered owner and/or exhibitor must be a member in good standing with the ABHA.
