Red U2 MS Divide 207F is a stunning and powerful, hard-working female with a perfect constructed udder. 207F is a big-time producer, as her very next bull calf sired by Duff Fearless is being retained and working at P+. She is the dam of a top selling bull, Duff Malbec, who was just sold in the Power Plus sale on 12.9.23. He's got on his work clothes, and we don't have a doubt that whatever comes next will be just as powerful and productive.

Joe Freeman with Bovi-Gene, LLC has graciously offered to provide the aspiration as his donation to the Red Angus breed and the Red Angus Youth Expo.
