SUPERINTENDENT: BAA Show Committee-Marilyn Brink

SHOW: Monday, January 5, 9:30 a.m.

BEGIN RELEASE: When done showing

ALL OUT: Monday, January 5, 10:00 p.m.

1. Exhibitors must comply with the rules and regulations of the Braunvieh Association of America (BAA) and Cattlemen's Congress.
2. Animals competing in the Braunvieh Show must be registered in the Braunvieh Association of America (BAA) Herd Book. A copy of the registration may be used for Braunvieh check-in. Each animal must bear a legible tattoo matching its registration paper.
4. All animals exhibited must have a DNA sample on file with the Braunvieh Association of America. A hair, tissue or blood sample on the subject animal must be received by the BAA or BAA representative prior to the show. Nursing calves showing only at side of their dam are exempt from the DNA requirement. If nursing calves show in individual classes, they must then have a DNA sample on file.
5. All animals exhibited must have a known Braunvieh dam or sire and are subject to being DNA verified to its Braunvieh parent(s).
6. Animals must be Fullblood or Purebred to qualify for the FB/PB Braunvieh Show. Braunvieh Beef Builders will be shown in a separate Beef Builder Show. Cattle recorded as "Braunvieh Influence" with a "BI" prefix are not eligible.
7. The BAA reserves the right to provide the judge and audience with the Expected Progeny Difference (EPDs) values, ultrasound data (collected by a certified technician), scrotal circumference for bulls, weights and ratios for performance and weights with weight per day of age. These performance figures (including weights, hip heights and frame scores) can be presented in their entirety or any combination deemed necessary by the BAA.
8. Heifers born Sept. 1, 2023 and after will show in the heifer show but can show with natural calves at side and still be eligible to show for champion female/heifer.
9. Heifers exhibited at 20 months of age or older (not females in the cow/calf class) must be pregnant and accompanied by a certificate of pregnancy by a licensed veterinarian or show with her natural calf at side. For heifers used in embryo transfer, a certificate of positive fertility issued by a licensed veterinarian must be available for inspection. Any protest on pregnancy will be handled with a blood test to prove the pregnancy status.

10. Females born on or prior to Aug. 31, 2023 must show in the cow/calf class with a natural born calf at side. The pair will not be eligible for champion female/heifer. The registration of the cow (FB/PB or Beef Builder) will determine the division the pair shows in. Calves exhibited in the cow/calf class can be no more than 230 days of age by date of show. Calves from the cow/calf class can be entered as individuals in the show (additional entry fee)

11. Bulls exhibited at 14 months of age or older must have a positive semen test and a certificate to that effect. The certificate must be available for inspection. Bulls 12 months and older must be shown with a nose lead.

12. Altering animals' natural color will not be allowed. Violation will be cause for disqualification.

13. No cosmetic surgeries other than surgical dehorning will be allowed. Violation will be cause for disqualification.

14. Only generally accepted fitting practices will be allowed. Violation will be cause for disqualification.

15. Protests can be made to the Show committee with a \$150.00 protest fee, within 24 hours of the show or prior to release, whichever is first, in writing to BAA staff or show committee members. Show committee will make rulings on a case-by-case basis. Animals disqualified will forfeit entry fees, awards and show points. If ruling in favor of protest, fee will be refunded. If ruling against, the fee will be forfeited.

16. Appeals can be made to the Show committee with a \$150.00 appeal fee. Appeals will be forwarded with all information to the ethics committee and Executive Vice President.
